Comment: In the last few months, I've had the pleasure of inspecting 3 of your
Body Shop projects;

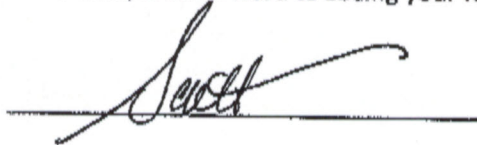

Sherwood, Alberta, with Joel MacAdam

Ft. McMurray, Alberta, with Damien Marks

St. Catherines, On, again with Joel

In today's age, complaints seem to be normal procedure...., however working
with these two gentleman, I am very pleased to tell you both of these employees
are a sincere asset to your company. Their stores are clean, workmanship is very good,
and above all, they are ready for their inspection!

Good Luck, look forward to seeing your future projects
